Jake Packard

Founder

About Jake:

01.

Jake Packard founded Site Shade Company in 2016 and since has built custom window solutions for over 12000 homes throughout Utah. Before founding Site Shade Company Jake successfully founded and sold Vinco Racing, Heretic Studio and was a founding partner in Packard Performance.

02.

With a strong background in product design Jake has overseen product development partnerships with the likes of Polaris, Porsche and KC Hilites. Jake studied at the University of Utah graduating with honors and has traveled extensively throughout the world. Fluent in 3 languages international travel has been a big part of Jake's professional life.

03.

Jake is married with 3 children and 1 stepson and spends most of his freetime coaching his two sons and daughter in competitive soccer leagues.

04.

In addition to coaching Jake plays multiple musical instruments and recently created an apparel design company called Esoteric Design Lab specializing in tailored apparel for youth soccer clubs.
